

BEACON

Professional powerhouse!

There's no point searching the dictionary to find the other word for power. Sunsumo presents it in the form of Beacon, its largest unit. With the size and power, built to dominate other flash-lights, Beacon is the ultimate lighting giant. Packing a massive 4 watts and 320 Lumens into a secure body, Beacon brings unrivalled power to your hand blasting a penetrating beam more than 800 m into the night.

- Extremely long range
